

The Cheddington Link 19th April

Welcome back

It may be the start of the Summer Term but I'm not sure the weather has quite got the message! We started off the week with Bella's birthday on Monday which we celebrated in our whole school assembly by singing 'Happy Birthday' and Bella was treated to a doggie birthday cake.

Working party - Tomorrow

We are really looking forward to seeing lots of you at the Forest School Working Party tomorrow from 10am until 1pm. I sent out an email on Tuesday with more details. Please enter the school via the back gate. Remember, everyone is welcome!

Cross Country - Tomorrow

Good luck to everyone taking part in the Cross Country - I will be at the working party but Mrs. White and Mrs. Gothard will be there to cheer you on!

Author visit

We were lucky to have author Rhian Tracey visit our Tiger, Flamingo and Giraffe classes this week. The children really enjoyed hearing about her new book, Bletchley Part Mystery.

Miss Bullifent and Mrs. Gammell

We would like to welcome two new members of staff to our Cheddington team. Mrs. Gammell started this week as a new Lunch Time Supervisor and Miss Bullifent will be joining us next week as a Teaching Assistant.

Hair dye and nails

It has been noted that there are a few children who have returned from the Easter holiday with brightly coloured dyed hair and/or wearing nail varnish. This is not appropriate for school and I kindly ask that hair dye be washed out and nail varnish removed. Thank you.

Learners of the Week

We didn't nominate Learners of the Week this week as we had just returned from the holiday. Instead we looked at our new Value for this half term - Teamwork. I look forward to finding out who is Learner of the Week next week. As next Friday will be the last Friday in April, I will be holding my 'Celebration Assembly'. If your child has a certificate, medal or trophy they would like to share, please bring it to the office, named, ready for Friday.

Class Newsletters

This afternoon you will have received an email containing your child's 'Summer Class Newsletter'. This is an important document that gives you an insight into what your child will be learning this term, alongside some important information and reminders about their class.

Have a lovely weekend and if you are able to come to the Working Party, I'll see you tomorrow.

Mrs. Gilly Brown

Head Teacher
